Secretary of the Treasury. TREASURY DEPARTMENT December 17th, 1833.

THE AGE OF EDITORS. Almost every Journal that does us the ho-mour to extract something from the 'Evening Star,' couples it with a complimentary no-Star, couples it with a complimentary notice of the vecteran' editor, the venerable' editor; and the State printer lately referred to our infirmities of age' Weapprehend that belonging to an exceedingly old family, an impression generally prevails that we are the identical old Noah himself, whose miraculous preservation in the ark is so frequently referred to in Biblical discussion. We are influence and not content with praching account there were procedured that the zeal of his autherents is badly encountered by the indifference of the Queen Regent. The pretender has been proclaimed King, by the title of Charles V. at Mervao, and in the adjecting provinces his followers are numerous and anatical. The Priests and Monks tend him all the advantage of their influencement on the counter of the product or receipts which might safely be ated on. But under the new system of histories, and short credits, each year must ply depend for its income on its own imits. And as commerce is always, more or its. And as commerce is always, more or its libit to floctuations, the public interest of the first that there should be at all, times in a friend. Mr. Butlers, onite as young as Mr. bres that there should be at all times in friend, Mr. Butler; quite as young as Mr. freatry, a sufficient sum to provide for Gales, and but little in advance of Col. Stone. ur son and heir is short of six years of age, our youngest scarcely walks, and we are altogether a young beginner. We can allow Mr. Van Buren to serve out three terms as President before we are too old to be his successor. There may be something ingenious in the opposition answering all our arguments, and repelling our attacks by a charge of age and imbecility, but it is no go. If we are and repelling our attacks by a charge of age and imbecility, but it is no go. If we are spaced, we will show ourselves young enough to sele of expenditures. At the last sin of Congress, the appropriations exist twenty one millions five hundred twenty one millions five hundred by the congress of the selection of to use them up before many years are over. We are doing it now tolerably well. A clear head, a sound heart, a firm hand, and an even

Much has been said and threatened respecting the grand results to be derived from the contemplated formation of a National Anti-Slavery Society. We learn from the Phila-delphia papers, that after great efforts to col-lect together a suitable number of immediate abolitionists, the body assembled recently in Standard, any that the revenue is reduced, to the necessary wants of Government. Various causes have con ared to enlarge the proposed expenditures all the collect together a suitable number of immediate of the collect together a suitable number of immediate of the collect together a suitable number of immediate of the collect together a suitable number of immediate of the collect together a suitable number of immediate of the collect together a suitable number of immediate of the collect together a suitable number of immediate of the collect together a suitable number of immediate of the country will be part that can be of the delight with becoming gravity—and on the continuity of the numerous host, they were found to consist of about fifty oelegates. Many of them were from the Eastern States,—particularly from the Eastern States,—particularly from the Eastern States,—particularly for the purpose—marched into the Adelphi with becoming gravity—and on that the country will be best together a suitable number of immediate of the country with the country in the country with the collect together a suitable number of immediate of the country with the standard from the Lastern States,—particularly from the Eastern States,—particularly from the
